ABBHI is proud to kick off a **Exciting New Program** designed just for you, the Realtor. **ABBHI** is starting a new program where **Realtors** get in on some **savings** and, it runs all year long with a **BONUS** at the end of the year.

Here's how it works, the Realtor that recommends **ABBHI** for the most Home Inspections (which turn into actual Home Inspections) each month gets a **\$20.00 Gas Card**. And who couldn't use an extra \$20.00 at the gas pumps? In addition to the December Gas Card, the Realtor with the most gas cards for the entire year will get a **\$60.00 Gift Certificate** to the store or restaurant of their choice! All ties will be decided by a drawing. That totals up to **\$300.00** in Gas Cards and Gift Certificates for the entire year. This is **FREE MONEY!!!!!!** **And, it couldn't be easier to be a part of this exciting new promotion**; all you have to do is recommend **ABBHI** to your clients. You are going to recommend one or more Home Inspectors anyway, so there isn't any extra work or time involved, just make sure **ABBHI** is one of the Home Inspection Companies you recommend.

If you haven't used or recommended **ABBHI** before and you give me a try for the first time, I will give you a **\$10.00 gas card!** Give me a call if you need some brochures dropped off at your office, I would be happy to do that, I might even bring some goodies (the kind that put on weight...lol).

Sincerely,
Pat Bennett
